EPAT® is an FDA-approved non-invasive treatment option for many painful musculoskeletal disorders, including plantar fasciitis. Using acoustic pressure waves, damaged tissue can be stimulated to enhance metabolism, blood and lymph circulation, and to break down adhesions and scar tissue, thereby accelerating the healing process. Damaged tissue gradually regenerates and heals.

- Non-invasive
- No anesthesia
- No risk of infection
- No Scarring
- No downtime
- Over 80% satisfaction
- Faster, easier healing

Call **MBE 269-344-8800** for certificates for this incredible treatment.
